DESCRIPTION

Paris, Charpentier, from the Petite Bibliothèque Charpentier collection, undated (around 1880). One volume of 16 months (127 cm x 8.5 cm), contemporary binding in half morocco with corners, double gilt fillets on the covers, spine with raised bands decorated with gilt author and title, gilt top edge; 452 pages. With two etchings by Paul Fouché in two states, protected with tissue guards. New edition in the "Petite Bibliothèque Charpentier" collection. This is one of the 75 numbered copies on Holland paper, the only ones to include the two etchings in two states (one on Holland paper and the other on China paper). Copy number 58 Rare copy
